APPLICATION

Activities

Before the Lesson

The teacher prepares a presentation titled _____

After introducing each character, the teacher writes "Hello! My name is Hans. I am from Germany, and I am German. I can speak German." on the board. The teacher underlines the words "Germany" and "German" and asks the difference between them to the students. The teacher focuses on the difference between country and nationality. The teacher presents the Countries/Nationalities/Languages list, which has countries such as, "China, France and Italy, etc.", on the interactive whiteboard and provides sample sentences such as "I am from China. I am Chinese and I can speak Chinese and English", "Mike is from France. He is French. He can speak French and Spanish." The students are then invited to construct sentences in the same style.

Post-Activity

The teacher wants the students to work in pairs, to go over the list of Countries/Nationalities/Languages on the interactive board and to choose a county for themselves to create an imaginary character. The

Post-Activity

The teacher distributes the peer evaluation form to the students and wants them to evaluate their peers (Annex-2).
