Activities

Before the Lesson

The teacher uses a web tool for creating mind maps to create a sample _____

While Activity

The teacher initiates Grammar Exercise 5 and Grammar Exercise 6 on EBA to strengthen the students' grammatical accuracy when using past tenses, providing guidance throughout the tasks. The students proceed to complete the exercises collaboratively, offering peer support to ensure a shared understanding of the material. Following this, the teacher uses an artificial intelligence powered tool on the interactive whiteboard to generate a 100-word unfinished story related to holiday places, activities, and the simple past tense. The teacher initiates the artificial intelligence powered tool on interactive whiteboard and writes this instruction: "Please, write a 100-word unfinished story related to

While Activity

The teacher initiates Writing Exercise: Colarado on EBA, guiding the students through a shared reading of the passage and a discussion of the holiday described. Then the teacher tasks them with composing a well-structured paragraph of 80 to 100 words, reflecting on a memorable holiday from their own experience. The students are required to read their written output, allowing sufficient time for the activity. During this activity, the teacher moves between the desks, monitoring the students' writing process and offering guidance when necessary.

Post-Activity

The students are invited to read their paragraphs aloud. The teacher evaluates the writing process
